

Certification

In determining whether a student is competent/or not yet competent, the student is assessed against the requirements of the qualification, including the units of competencies and the performance criteria and assessment requirements within the units of competency.

Students are issued with a VET Statement of Attainment or VET Qualification once competency has been achieved, as outlined within the Training Product. The test amur for all AQF qualifications issued will identify the qualification as an AQF qualification with the words “The qualification is recognised within the Australian Qualifications Framework”.
