

# Student Responsibilities

As a student with College of Nursing Education & Training Australia, you are responsible for your own actions, this includes:

- Complying with the policies and procedures within the Student Handbook
- Participating in all training activities by asking questions and interacting with other students
- Communicating with the Trainer any struggles that you may be having, especially if it will affect your training and assessment.
- Thinking of the classroom as your workplace, are you are good work colleague?
- Dressing appropriately for the classroom, as if you would dress for your workplace
- Using your brain and challenge yourself in the classroom, you will thank yourself later when you have a better understanding of the training that was delivered
- Completing all assessment requirements required to determine your competency
- Cooperating with Trainers, Assessors, RTO Staff and Students in the conduct of training and assessment
- Pay all course fees prior to course commencement
- Finding ways to relate to your reading and writing. What original thoughts and experiences can you bring to the course to make it come alive for yourself?
- Being in the training, participate, don't jeopardise your own learning by not participating
- Surround yourself with other students who can help you. You don't have to be best friends with everyone you seek advice from but find friends or acquaintances that will help you to be the best of you.
