CONTACT US for more details!!

**HLT33115 -
Certificate III in Health Services
Assistance is now delivered
online!**

A course that can lead to a career in health care across Australia. Complete your course online and come to Australia for clinical placement. Open to domestic and international students.

Faith, from South Africa, has completed her Cert III in Health Services Assistance. Photo during her clinical placement.

Did you know that you can work as an Assistant in Nursing (AIN) if you have a similar qualification or experience?

Some of our students completing the NCLEX and OSCE preparation are now working as AIN. Ask us how.

DUBAI and ABU DHABI

In partnership with Universal Blue Ocean Consultant, College of NETA is once again heading to Dubai and Abu Dhabi to meet with nurses for an information session on how we can help them become a registered nurse in Australia.

If you are in the following cities on these dates, contact us to book a seat.

Special discounts given to all attendees.
